

# Iiro Pääkkönen

Kivikartiontie 11 C 82 | 20720 Turku | 0442034114 | iiro.paakkonen@gmail.com

## About me

I am an active and capable young IT-student. I can work on my own as well as part of a team. I think good team spirit is what makes studying and working efficient.

## Working experience

Summers of 2021, 2022 and 2023

### **Confirmation school worker | The Lutheran Church in Turku and Kaarina**

I worked the mentioned summers as a confirmation school worker on several confirmation camps. My duties included teaching about the Lutheran church to teens of age 15 and general managing of the camp.

May 2023 to July 2023

### **Moving coordinator | Diaconia University of Applied Sciences**

I worked as a moving coordinator while DIAK was moving their campus from Turku to Helsinki. My duties included packing, collaboration with other businesses and general coordination of the moving process.

## Education

- Kerttuli upper secondary school , graduated 2020, Turku
- University of Turku, Bachelor of Science and Master of Science in Information Technology (currently studying)

(Expected graduation year for Bachelor's 2024 and Master's 2026)

## Languages

Finnish: Excellent (native)

English: Excellent

Swedish: Good

Mandarin Chinese: Beginner

## IT-skills

Text and Image processing, good

Python and Java programming languages, good

C programming language, beginner-level

Javascript, HTML, CSS and React beginner-level

Sound, image and videoproduction and editing, good

Version control with git, good ([github](#))

## Managing skills

I have completed a leader's course (NCO) during my mandatory military service and have acted as a military leader. I have also led teens on confirmation camps and in my congregations youth activities. Additionally I act as the Game Master for my friends in the Dungeons & Dragons roleplaying game.
